Fourth Lane On Foothill Ordered In State Budget

ARTERY WILL BE WIDENED 22 MILES FROM HERE EAST

Highway Commission Approves Plan for Additional Lane On Boulevard

Addition of a fourth lane on Foothill boulevard through Upland and east as far as San Bernardino is assured with announcement today the state highway department will expend $65,000 in the county during 1937. Biggest of the many road projects contemplated is adding a fourth lane to the boulevard.

A project is now underway in widening the boulevard as far as the Los Angeles county line. The 1937 work will result in the artery being widened from the county line on the west to San Bernardino city, a distance of nearly 22 miles.

Another road improvement in this district will be the widening of Valley boulevard to four lanes between Ontario and Pomona. A third lane will be added to Valley boulevard between Ontario and Colton.

These road jobs are to be financed with money from the state gasoline tax fund. The contemplated improvements were announced following adoption of a budget by the state highway commission. The budget is for two years, the total expenditures to be more than $1,300,000.

Efforts to get Foothill boulevard widened were started several months ago and as the result of the local traffic condition being called to the attention of state officials the fourth lane project was considered. When completed the boulevard will be four lanes wide from San Bernardino into the Los Angeles metropolitan district.

Addition of a fourth lane will not require the acquisition of additional right-of-way through Upland. At the time of the last improvement of the thoroughfare enough right-of-way was obtained to allow for addition of another lane.

Dinner Party Held As 20-30 Officers Assume New Duties

With informality prevailing, new officers of the Upland 20-30 club assumed their duties in a semi-annual installation dinner party Tuesday night. Ray Hobbs, retiring president, presided until he turned over the gavel to President-elect Harvey Gallaugher.

The party was held in the St Charles grill, Pomona, the meeting place being changed from the Upland Inn for the special occasion. Following the dinner dancing was enjoyed by the group of 30 people.

Other new officers of the club are Vernon Shiflett, vice president, and Gilbert Holbrook, sergeant-at-arms.

City To Get $19,394 More in Tax Money

City of Upland is scheduled to get $19,394.89 in tax money before the week ends. Money received from taxpayers during December is being distrbuted by Vincent L. Roth, county auditor, to cities in the county.

Upland city taxes are included in the county tax bill. As payments are made to the county, the auditor returns the amount due Upland and five other cities in the county.

Crash Victim Dies; Inquest Is Ordered

An inquest will be conducted Saturday morning to study the circumstances of the accident resulting in the death Wednesday of Michael Kiley, Inglewood. The crash occurred Sunday on Valley boulevard east of Ontario when machines driven by Kiley and Carl Thornton, El Centro, collided.

Kiley suffered a broken neck and possible internal injuries. He died at the San Antonio Community hospital, where he was taken following the accident.

65 Auto Accidents, No Deaths, Record For Upland in Year

Sixty-five automobile accidents were investigated by Upland police during 1936 and an outstanding feature of the annual accident summary is the statement that 'no persons were killed in traffic during the year."

Forty-four persons were injured, however, accordng to Chief of Police E. C. Mehl. Of the 65 accidents, people were injured in 26 crashes, in 39 accidents there being no injuries.

The police records concern only those accidents occurring within the city limits.

SNOW TO ATTRACT THRONG TO CANYON

Resorts Will Be Hosts to Many Sports Fans During Holiday

San Antonio canyon resorts will be hosts to hundreds of pleasure seekers over the New Year holiday and the week end. Snow sports are preferred by many and throngs from all over Southern California will take advantage of the opportunity to be in the mountains.

The heavy snow fall will give to the winter sports fans just what they want. Toboggan slides will be used up to the maximum from now until Sunday night if weather permits.

A major improvement at Camp Baldy is the fine new dance hall, which will be formally opened Jan. 16. Originally the opening date was Jan. 1, but this was changed.

County Police Radio Station in Operation

This county today has a new 24-hour radio station and law enforcement officers are given aid in their never-endng lookout for law violators.

The station, erected jointly by San Bernardino and Riverside counties, was placed in operation in the court house at San Bernardino Wednesday. C. E. Grier, chairman of the county board of supervisors, is chairman of the commission in charge of the station management.

Call letters of the station are KSBC. It has 500 watts power and it will be used only for the purpose of broadcasting police reports.

FLOOD WATER IS CHECKED BY DAMS

Spreading Grounds Get Water From Canyons as Project Is Effective

The flood control project and water spreading grounds have proved successful in checking the flood of storm water and in saving it for seepage into the local underground basin.

At least, in the opinion of those inspecting the project today, the entire flood control works are fulfilling expectations. The San Antonio and Cucamonga creek spreading grounds were used only up to about one-third of their capacity in handling the flood water. Water from San Antonio canyon was checked from going south of Sixteenth street while the Cucamonga canyon flood water was stopped at Twentieth street.

The series of check dams beginning near the foot of the adjacent mountains were withstanding the force of the run-off, directing the water into the spreading ground area.

Slight damage was reported to the temporary diversion constructed at Nineteenth street to handle the water from Frankish canyon. This damage will be repaired immediately in case of additional rains over the week end. Within 90 days the permanent diversion walls will be completed.

R. V. Ward, engineer in charge of the gigantic flood control program here, made an inspection of the project today.

Ends 25 Years of Church Leadership

Dr. Robert C. Stone

Who was feted Wednesday night on completion of 25 years as pastor of the Upland Presbyterian church.

CHAFFEY ATHLETES HONORED BY CLASS

Dr. Merton E. Hill's Sunday School Class Entertains Football Teams

Dr. Merton E. Hill and his Sunday school class of the Methodist Episcopal church of Upland honored the football teams of Chaffey high school and junior college on Tuesday evening by entertaining them at a turkey dinner in Fellowship hall of the church. The class numbers about 100 on its roll and about 200 persons were in attendance at the banquet. Included were wives of class members, Coaches Heiser and Mitchell and wives, President Gardiner W. Spring of Chaffey and Mrs. Spring, Director Chas. J. Boith of the junion college and Principal E. W. Fischer of the high school and their wives, and school board members and their wives. About 40 members of the two football squads were in attendance.

The big turkey dinner, which was cooked and served by members of Dr. Hill's class, with Chas. Dinger as head chef, was such that would make even excellent women cooks envious. Owen E. Atwood was in charge of the dining room and waiters, both men having most efficient committees working with them.

Dr. Hill as master of ceremonies was at his best—and that's great form. He called for short talks by Coaches Mitchell and Heiser, President Spring, Director Booth, Principal Fischer, Captain Leon Utman of the junior college team, Co-Captain Charles Bleick of the high school team. Don E. Palmer responded in behalf of the school board members.

Charles Smith entertained with his musical bottles during the evening and the entire affair was immensely enjoyed by all attending.

Camp Baldy Float to Represent Hiawatha

The Camp Baldy float in the New Year's parade at Pasadena will represent the romance of Hiawatha and Minnehaha, that immortal love story of Longfellow's. A huge canoe made of 5000 bronze chrysanthemums, floating on a sea of larkspur, will be manned by Skyeagle, a Chippewa Indian, a real descendent of the tribe of Hiawatha, who was born on the Canadian shores of Lake Michigan near the original setting of the love story, and in the canoe with him will ride Sunbeam, a descendent of the same tribe.

Bank Clearings in $71,600 Increase

Bank clearings in Upland last week were $71,600.09 more than they were during the corresponding week of 1935. The figures are $415,045.08 last week and $343,444.99 a year ago.

Ontario bank clearings were nearly a quarter of a million more last week than a year ago, total for last week being $756,394.44.

50TH ANNIVERSARY MARKED AS CHURCH HONORS DR. STONE

New Presbyterian Leader Welcomed in Celebration And Program

PRESENT GIVEN DR. STONE

Community Joins in Recognition of Quarter Century Service

Before a large crowd of members and friends of the Upland Presbyterian church, Dr. and Mrs. R. C. Stone, retiring pastor and his wife; the Rev. and Mrs. Rex E. Lawhead and son Robert, the new pastor and his family, and the early members of the organization were accorded honors Wednesday evening at a dinner served in the church parlors. The celebration was not only held to honor Dr. Stone, who resigned after 25 years of service, but also in commemoration of the founding of the church fifty years ago.

Red and silver were featured in the beautifully arranged tables, on each of which were red candles and strands of silver branches. At the rear of the speakers' table a large green curtain, with a red and green wreath at the top and silver branches on either side, proved effective. Decorations were in charge of Miss Elizabeth Harris.

After the main dinner course a large green and white cake, bearing the words, "fiftieth anniversary," was brought to Dr. Stone. It bore rows of candles along each side and was cut by a number of the early citzens in the district, the first thus honored being Mrs. Minnie Goodrich, whose parents, Mr. and Mrs. B. S. Dennison, were charter members.

Following the dinner a piano duet was played by Miss Bertha Palmer and Mrs. Lynward (Maude Garey) Grahame. Frank F. Palmer, who has served several times on the church session, related an interesting history of the parish from its begnning in 1887 to Dr. Stone's arrival in 1912.

When Dr. Stone presented in turn the officers of the church, Mrs. F. E. O'Brien, president of the Ladies Aid, came forward and gave to the wives of both the retiring and the elected pastors lovely corsages of camelias. Mrs. Stone's flowers were white, while those given Mrs. Lawhead were pink.

As a complete surprise for Dr. and Mrs. Stone, Mrs. K. W. Fuller, presdent of the Missionary society, representing the Stones' many friends in Upland, presented the couple with a large silver loving cup filled wiht artificial silver branches, on which rested red cellophane flowers. On closer inspection, the red buds proved to be ten dolars bills, totaling more than $130.

Miss Peggy Grahame, alto soloist, accompaned by Miss Dorothy Benson, offered two solos. The second number, "Bless This House," was dedicated by Miss Grahame to Dr. Stone.

Welcomes were given the new minister and his family by officers of the church. The Rev. Lawhead responded with an appreciation of the reception given him, and of the work accomplished by the retiring pastor.

At the close of the meeting, the guests enjoyed a socal hour, and many inspected the early pictures of life in the community shown by Charles Bowser, a member of the church for many years.

Much credit for the success of the dinner was given to the ladies of the church who prepared the meal. Mrs. Herbert Bailey was chairman of the committee in charge and was assisted by Mrs. Thomas Harris and Mrs. F. E. O'Brien.

First 1937 Baby To Get Gifts From Local Stores

It will be a rousing welcome given to a baby in 1937.

This refers not to the mythical babe indicative of a New Year but to the first baby born at the San Antonio Community hospital, whose parents reside in the Upland district.

Upland merchants are uniting in offering many gifts to the baby and its parents. In recognition of the first 1937 Upland baby, the San Antonio Community hospital is also planning a gift for the parents—deduction of $10 from the regular bill. A picture of the baby and mother, taken at the hospital, will also be given the parents.

In arranging to welcome the bouncing, sprightly baby, the reservation was made that the parents had to be residents of either Upland, Alta Loma, Cucamonga, Etiwanda or San Antonio canyon, this being the area covered by The Upland News.

Total value of the gifts is estimated at nearly $50, this being in addition to the hospital's gift of $10 and the picture.

A wide variety of presents are being offered by the merchants, including such as hose for the mother, tie for the father and a fine crib for the baby. Parents of the new baby will be advised by The News of the presents awaiting them.

Definite assurance is given that sponsors of this gift idea have no intimation of what family may be in line for the presents. Dr. A. A. Aita, hospital superintendent, emphatically declared that possible recipient of the gifts was definitely unknown. The gift welcome to the 1937 infant, however, was not planned by the hospital, Dr. Aita merely cooperating in giving a reduction in the bill when it was learned the Upland merchants were offering presents.

Stores cooperating in giving presents to the first 1937 baby are Mac the Medicine Man, Inc., J. J. Atwood Co., Harnish Dry Goods Co., J. E. Engle, Booth's 5-10-25c store, Colborn Electric Co., Caso's, Caveness Style shop, Ideal Cleaners, Swannie's studio, Pete's Dry Cleaners, Upland Furniture Co., Anderson's Market, Shady Grove Guernsey Dairy, The Upland News.

New Records

1936 Is Passing After Giving City High Figures in Many Activities

With the passing of 1936, attention is today centered on the last 12 months. A statistical and verbal summary is given here of various activities in the community.

Rainfall from July 1 to Dec. 31 totals 13.65 inches, a near all-time record.

There were no deaths from auto accidents during 1936 withing the city limits.

Two veteran church leaders have retired—Dr. Bert Foster resigning as rector of St. Mark's Episcopal church and Dr. Robert C. Stone resigning after being pastor of the Presbyterian church for 25 years.

Business at Upland stores was the best in several years, the Christmas sales especially being far above 1935 holiday season.

Number of new houses is near the peak year. Work has been started on a new Santa Fe depot, this fulfilling dreams of many years. Another high point in construction is the erection of the fine new building for the Mountain View Fruit Assn.

Incom to the Upland post office during the year set a new record, the 1936 total being 6 per cent higher than the boom year of 1930.

No Funnies Due to Failure of Comics To Arrive in Time

What—no funnies?

The four-page colored comic section usually distributed with the Friday issue of The Upland News probably will not be found with this copy of The News. The comic sections are printed in San Bernardino and are delivered by truck to many cities in the southland. It so happens that Upland is the last "stop" for the truckman on the route, this being the case even though Upland is only 22 miles away.

At the time of going to press the comic sections had not been delivered. If they arrive before the papers are ready for distribution they will be included in the routes delivered by carrer boys. If they do not arrive in time they will be distributed with the Tuesday issue of The News.

The News is being published Thursday afternoon due to the New Year holiday on Friday.

$25,195 INTEREST ON SAVINGS PAID BY CONCERNS HERE

Six Months Payment on Accounts Made by Upland Cucamonga Banks

FIGURE CONSIDERED BIG

Income Total on Savings Is Reported by Five Institutions

Persons with savings accounts in the Upland district, including Cucamonga and Alta Loma, will receive as interest on those accounts for the last six months the sum of $25,192.63. This figure is the total of interest paid by three financial concerns in Upland and two in Cucamonga.

Amount paid from each concern was obtained with the combined total being $25,192.63.

While no comparison has been made with the interest total paid a year ago, the figure announced today appears fairly large.

Concerns reporting their interest payment total are the First National Bank of Upland; Bank of America, Upland branch, and the Cucamonga branch; the Magnola Federal Savings and Loan association and the Cucamonga Building and Loan association.

2436 VOTERS NOW ON UPLAND ROLLS

12½ Per Cent of Those Registered Did Not Ballot in August or November

Registered as electors in Upland today are 2436 persons, this being the figure after names of persons who did not vote in 1936 were dropped from the rolls. Approximately 12½ per cent of those registered did not vote at either the primaries or the general election, accordng to officials in the county clerk's office. Before persons dropped from the rolls can vote they must register again.

The 2436 total is made up as follows: Republicans, 1289; Democrats, 1018; Prohibition, 56; Progressive, 2; Socialst, 5, and declinng to state, 66. Prior to the cancellations of registration the total number listed as voters here was 2783.

With the beginning of 1937 it is pointed out that only one election is scheduled so far. That election is the annual vote to choose a member of the Uplanu board of education and the Chaffey board of education. No regular city, county or state election is scheduled.

Ernest Olson Buys Roste Meat Market

Purchase by C. Ernest Olson of the meat market operated by Dean Roste in Anderson's market was announced today. Mr. Olson will be personally in charge of the new market, beginning Saturday. Since 1927 Mr. Olson has operated his meat market in Johnson's grocery. He will continue to own that market with Alvin Finn, his present assistant, being in charge there.

Mr. Olson has been serving meat to Uplanders since 1920, at that time being an employe in a local market, with Alvin Finn, his presdpurchased the market, having successfully conducted it since 1927. Under the ownership of both markets he will expand his service to the community, but at the same time continue his policies that have been widely accepted.

Mr. Roste, who has been in Upland for several years, has not announced his plans for the future.

Librarians Arrange New Year Holiday

Announcement is made today by Mrs. F. H. Manker, librarian of the Upland public library, that the reading rooms will not be open Thursday evening, New Year's eve, from 6 to 9 o'clock. This custom is followed because the small number of citizens patronizing the library during the evening preceding the holiday is insufficient to warrant the additional time.

Regular hours will be resumed Saturday.

Heavy Rain Adds To Total As Snow Falling In Canyon

Rain Is Likely for New Year's; Cooler Tonight Prediction

"Unsettled."

That's the weather prediction for Jan. 1 in Upland and other parts of Southern California. This will be of particular interest to people planning to see the Tournament of Roses parade or Rose Bowl football game.

The U. S. weather bureau forecast stated the prediction in this manner: "Showers and cool Thursday night. Friday unsettled followed by rain in western portion of Southern California."

POSTAL INCOME IN NEW HIGH FIGURE

1936 Total Is 6 Per Cent Ahead Of 1930 Boom Year, O. P. Brady Reports

Income at the Upland post office during 1936 was more than any other year in history, the increase being 6 per cent over the peak of 1930, high point in the "good old days" for the local institution.

For the last two years a steady increase has been the record of income for Uncle Sam's local office showed increases during 1936 $26,360.13, according to Postmaster Orton P. Brady. Income in 1935 was $25,510.87 and in 1930 it was $24,777.94.

All departments of the post office showed ncreases during 1936 over 1935. The total figures given represent income from sale of stamps, money orders, postal insurance and other items.

Mrs. Sooy To Resume Lectures at Chaffey

Seventh in the series of lectures on the general topic of interior decorating being given at Chaffey by Mrs. Louise P. Sooy of Claremont under the auspices of the Pomona Valley branch of the American Association of University women, will be held Thursday evening, Jan. 7, at 7:30, in room 59 of Chaffey junior college.

Mrs. Sooy's specific topic will be "Accessories for the House."

All those who attended the lectures before the holidays and any others interested are invited to attend.

PERMIT TOTAL IS AVERAGE FOR CITY

$159,710.75 Is Valuation of New Construction and Repairs in Year

Upland's building permit total for 1936 is far ahead of the 1935 total, but in comparison with some other previous years it rates only as an "average" year.

Permits for the year total $159,710.75, as compared with $74,601 in 1935. Total permits issued in December was $7,810. Total for 1934 was higher than the 1936 total as were also the 1928 and 1929 totals. Mrs. Olive Reed, secretary in the city's office, made the compilation of the figures.

Mrs. Thrash Is Ill With "Flu" Attack

Mrs. Ethel M. Thrash, society editor of The Upland News, is ill at her home today, she being unable to be at her desk since Tuesday afternoon.

Suffering from an attack of the "flu," Mrs. Thrash was reported better this afternoon. An unusually hard worker and conscientious in all of her tasks, she was missed not only by The News staff, but also by her many friends in the Upland district. Miss Winifred O'Brien assisted on The News staff Wednesday and Thursday.

NEARLY 3 INCHES RAIN IN 24 HOURS IS REPORTED HERE

Bear Canyon Snow Is 1½ Feet Deep as Storm Total At 24 Inches

With 2.81 inches of rain falling from Wednesday noon to Thursday morning, Upland's rainfall total is now 13.65 inches, six times the amount received during the corresponding period last year.

With the rain came very little, if any, damage. San Antonio Heghts residents were somewhat concerned but their efforts to protect their property from flood proved successful. A big river of rain water churned down the channel from Twenty-fifth street. The water did not get out of bounds.

While the rain is far ahead of last year's total, the 1936 record is two inches below the all-time mark. In Dec. 1909 the record was 15.74 inches and in 1921 the total was 14.53 inches to this date in the season.

With snow 1½ feet deep at the Bear canyon resort and big flakes adding to the total on Thursday, rainfall total for the season there was reported at 24.25 inches. During the last 24 hours, 4.80 inches of rain was recorded.

Etiwanda's rainfall total for the season is 14.11 inches as compared with 1.95 inches at this time a year ago. The storm since Wednesday noon left a total of 2.97 inches of rain.

Presbyterian Pastor Transfers to Upland From Oakland Home

Coming to Upland from Oakland, where the Rev. Lawhead was pastor of the First United Presbyterian church, Mr. and Mrs. Rex E. Lawhead and their 15-year-old son, Robert, have moved into the Presbyterian manse, 238 Euclid avenue. The new minister will take over his duties at the local church Sunday, although the sermon will be preached by Tully Knoles, president of the College of the Pacific.

A graduate of Monmouth college, Monmouth, Illinois, and of Pittsburgh Theological seminary, Mr. Lawhead is well qualified for his new position. He has served as pastor of the First United Presbyterian church, Los Angeles, as well as minister at the Colton church of that denomination, and the Oakland parish.

Mrs. Lawhead is also a graduate of Monmouth and has taken work at the University of Illinois. Their son, Robert, will enter Chaffey high school Monday as a sophomore.

During his two years stay at Colton, the Rev. Lawhead was considered as one of the most prominent ministers in the Riverside presbytery. He preached twice in the Upland pulpit this summer and fall and was the unanimous choice of the congregation to succeed Dr. R. C. Stone, retired.

Orchard Heating Is General In District

Orchard heating was general throughout the lower sections of the Upland citrus district Tuesday night as well as in most parts of the citrus area.

Reports from inspectors, however, indicate there was no damage to groves in the county. Tuesday night was the first time this winter orchard heating has been general throughout the citrus district.

Vacation Will End Monday for Students

Annual Christmas and New Year's vacation ends soon for students in this district.

All classes will be resumed on the regular schedule Monday morning, vacation having begun with the close of school Dec. 18.

TODAY'S BIBLE VERSE

The word became flesh, and dwelt among us.—John 1:14.

And Now—Once More—A Happy New Year

The old year of 1936 has just faded out—and joined his predecessors that are lined up against the wall of time.

So we now say: All hail 1937! The old year is dead—long live the new! The slate is wiped clean and we are ready for another start. A new year is dawning—another book of 365 pages is being opened. We know not with what it will be filled—but we in America are an optimistic people. Old Man Pessimism gets us down now and then for a while—but the old fighting spirit comes back strong and we emerge from our difficulties. Propaganda plays a large part in the moods and actions of us Americans. A few years ago it began to be "noised around" that we were too prosperous—values were fictitious—too high—and investors were paying more for stocks and bonds than they were worth. The propaganda gained momentum as it spread over the country by means of newspapers—and by word of mouth. The result was that people lost confidence—and the crash came. Similarly—the propaganda of optimism is doing a large part in bringing prosperity back. Things are better than they were—and they should continue to improve. The year 1937 should be better than 1936.

So as the holiday season ends a lot of dusty holly wreaths and withered Christmas trees will go into the fireplace or be burned on the trash heap—and we will plunge again into the hectic swirl of business life. But the spirit of good will toward men—what of it? The answer of the cynic is that they, too, will go onto the trash heap. Unfortunately that is true to a certain degree—though most of us do not like to admit it. However, there is also less truth than the cynic will admit in his contention that this is an era of increasing cynicism, of diminishing good will, charity and understanding. It may appear so on the hard surface of modern life—but not underneath.

The true spirit of Christmas has been demonstrated not only here in Upland—where all unfortunates were helped in abundance—but community chest donations have outstripped those of former years in many cities. Drives by the Red Cross and Salvation Army also brought the most generous response in recent years. Toys for the poor children were stacked higher and baskets providing Christmas feasts were more plentifully distributed. Naturally, returning prosperity had much to do with this—but this only emphasizes the fact that people will give generously when they can possibly do so. It is not the nature of normal human beings to be saitsfied to live in plenty and luxury while some of their fellowmen are hungry and in need of clothing and other necessities.

As we enter the New Year with optimism and confidence let these be among our resolutions:

As individuals—to "count our blessings" and stop cussing our "barked shins," if we have any, and to be equal to the challenge of living and working in the most interesting and delightful spot in the world, and in perhaps the most interesting and most promising era in the world's history.

As a community—to help our own workers and patronize our own business concerns, and to recognize that a community is no better and no worse than the average of its residents, and that average in our community is higher than a majority of places. Let's have pride in our town and in our homes and strive to make Upland a still better place in which to live.

As a state and nation—to live within our income and to deal rationally in our business and industrial disputes, shunning strikes and disorders as we would shun a plague.

We are entering "A Happy New Year" and if we observe these resolutions throughout the year we will have a happy one through the entire twelve months.

Ontario Masons Will Install New Officers

New officers of the Ontario Masonic lodge will be installed Tuesday night. Dinner will be served in the lodge hall at 6:30 o'clock.

Those to be installed are John E. Chambers, master; Boyd Kuhns, senior warden; Anson Smalley, junior warden; Howard R. Berg, treasurer; Jesse W. Winton, secretary; Robert Harris, senior deacon; Willard Baier, junior deacon; John E. Maurer, senior steward; George Swindells, junior steward; William H. Spencer, chaplain; J. Vestal Parker, marshal; J. R. Steele, tiler, and Thomas Pollock, musician.

Big Racing Card for New Year's Planned

Many in this district know the winter racing season at Santa Anita park is off to an auspicious start.

The New Year's card on Friday will be designated in honor of the Tournament of Roses at Pasadena. A large attendance is expected after the parade in the morning. The Pasadena Purse, Tournament of Roses Handicap, New Year's Stakes with $5,000 added, and the Rose Bowl Handicap are down for running.

Orange Show Duck Dinner January 15

Officers of the twenty-seventh National Orange Show to be held at San Bernardino have announced that the annual duck dinner tendered civic, citrus and business leaders of Southern California will be held Jan. 15.

Among the notables to be present is expected to be Gov. Merriam. Some 300 or 400 persons attend this annual dinner in the Orange Show building, at which time a preview of some of the talent to be seen at the approaching event entertains.

The fact that $14,000 has been appropriated for the forthcoming Orange Show for entertainment features presages the best in that line of all the annual shows. Special programs are planned for the main stage and for the show's arena and the best acts obtainable will be booked.

Date of the show is Feb. 18 to 28. The event draws persons from all over the counry each year, many winter tourists to Southern California making it one of their objectives.

A Cappella Institutes National Broadcasts With New Program

In its initial broadcast over a national network, the Chaffey junior college a cappella choir directed by S. Earle Blakeslee, will appear in the first presentation of the College Chapel quarter hour, over Station KHJ and the Mutual network Sunday afternoon at 4:45.

Each of the weekly chapel hours will include at least one solo by a member of the choir. Sunday's special offering will be numbers by Miss Isabel Nelson, soprano, formerly of Upland, and Elvin Ebersole, LaVerne, tenor.

Constant practice has been necessary in preparation for the programs. The choir has made few outside engagements this year in order to concentrate on work for the broadcasts.

Townsend Club To Hold Election at Meeting on Jan. 5

First meeting of the new year will be held by the Upland Townsend club in the Upland Woman's club house Tuesday evening, Jan. 5, at 7:30.

The meeting will be featured by a musical program, with Mrs. Lewis Jenison as the soloist, and by the annual election of officers.

Important plans are to be discussed and a large attendance of the membership is desired.

The Clear Call

As a child, I walked through the
vine-tangled woods
And was lost in the shadows that
lay
Like wraiths on my path; then I
heard Mother's voice
Calling on to a sun-lighted way.

Even now there times when the
way grows obscure
And I grope in the gloom as I
tread,
I can hear the clear call of my
dear Mother's voice
From the bright golden strand
just ahead.

Indian Soliloquy
How!

I once was potentate
And free in my domain—
My code inviolate
I sought but daily gain—
The Pale Face claimed the right
To trade my land away;
I had to give or fight,
And I was made to pay.
I cannot guess or know
Why their God made them so,
How is man civilized
If honor is despised?

Reclaiming of Dust Bowl Discussed by Orator for Lions

Hoyt Houchen, Chaffey orator, told members of the Upland Lions club Thursday noon about the causes of the drouth in the midwest. The club meeting was held in the Red Hill Country club house. He delivered the oration, "Reclaiming the Dust Bowl," which pictured the conditions in the drouth states and told of some reasons causing the situation. After his talk he spoke informally of the work of the agricultural department at Chaffey.

Mr. Houchen recently won the title of California champion orator in a contest sponsored by the Future Farmers of America and he will represent the state in a western division contest next spring.

Musical selections also featured the meeting. Mrs. Don Vowles, violinist, and Mrs. John Tomlin, cello, accompanied on the piano by Mrs. Florence Dundas entertained with several selectons.

Rev. Rex B. Lawhead, new Presbyterian pastor, and Mrs. J. Emery Sargent were guests at the meeting. J. Emery Sargent served as program chairman, with E. C. Rosenberger, president presiding.

More Fruit Will Go Out From Here Next Week as Prorate Set

Picking and packing of oranges will be considerably increased next week if weather conditons permit.

Prorate for next week has been increased for this district and many of the local associations may be operating on a big scale. Very little picking has been done this week due to the rain. Amount of fruit in the packing houses is reported to be small.

Approximately 450 cars of oranges can be shipped from Southern California under the prorate for next week.

Two Youths Rescued From Lake Arrowhead

Two youths were rescued from the chilly waters of Lake Arrowhead yesterday afternoon after they had clung to an overturned canoe for nearly an hour. Arthur Gore and Robert Stark, Riverside high school youths, were pulled to safety after their faint calls for help were heard by chance.

Leonard Selby, employed in a pump house along the south shore of the lake, stepped outside to watch the blinding rain storm. He could see only a few yards due to the storm and he could barely hear faint cries for help. He called Lester Nichols, his employer. The two men used a power launch and finally traced the source of the calls for help. The youths' faces were blue from the cold.

Part of New Ontario City Hall Occupied

It is "moving time" for some of the employes in the old Ontario city hall.

Work in construction of the new Ontario city hall has advanced to the point that some of the departments can move into their new quarters. When the old municipal building is vacated, it will be razed. South wing of the new structure will be on the old city hall site.

Among the first to move will be Judge J. F. Hamilton and the city nurses. They will occupy permanent quarters in the new structure. When some of the other departments are moved they will occupy temporary quarters until the south wing of the structure is finished. The building is a WPA project.

Schoolmates' Reunion Gives Inspiration For Showers

With silver and white as the color motif, Miss Elizabeth Wright, 624 West Arrow highway, was hostess at a lovely bridal and farewell shower Monday evening, at her home. Guests, all former U. C. L. A. students who resided at Doheny hall, Westwood, gathered to honor Miss Sally O'Brien, who is the fiance of Carrol Johnson of Dana Point, and Miss Norma Wolfe, Claremont, who plans to sail in February for England to become the bride of George Waugh.

When the friends arrived, they enjoyed discussing school days. Then they gathered around the piano and sang "Aloha Oe." Miss Wright brought in a beautifully decorated silver ship, in which was enclosed gifts for Miss Wolfe.

Later in the evening, the hostess called the friends to the dining room, where on the table, lay a lovely white wedding bell. The young women were told to pull streamers from the ornaments, under which were a number of miscellaneous gifts for Miss O'Brien.

Delightful refreshments were served by Miss Wright, who was assisted by her mother, Mrs. Glenn Wright.

Participating in the party were Miss Eugenia Benneson, Covina; Miss Betty Bonner, Azusa; Miss Ruby Wilburn and Miss Evelyn Elser, Alhambra; Miss Margaret Harris, Pomona; Miss Virginia Watson, Berkeley; Miss Alma Hofman, Ontario; Miss Wolfe, Miss O'Brien, Miss Wright and Mrs. Wright.

Sunday School Class Honored at Party By Instructor

Planned as a reunion of members who were home for Christmas vacation, Mrs. H. W. Hawkinson was hostess to her Young People's class of the Upland Presbyterian church at her home on West Arrow highway, Monday evening. Many of the guests are attending coast universities.

One of the principal features of the evening was the drawing of silhouettes of each member present by Mrs. Marie LaBarr Leonard, Doyleville, Colo., who is visiting the Hawkinson family. Guests were required to identify the pictures.

Merry games were played by the class members, at the close of which delicious refreshments were served by Mrs. Hawkinson.

Attending the affair were Miss Betty Palmer, Miss Florence Wilkerson, Miss Rhoda Crum, Miss Opal Offill, Miss Lucille McDonald, Miss Jean Moore, Mrs. Marie Leonard, Mr. and Mrs. Harland Goodrich, Edgar Bailey, Paul Palmer, Lester TeSelle, David Dundas, Bill Rogers, Bob Rogers, Fletcher Palmer, Allen Palmer, William Hawkinson, and Mr. and Mrs. Hawkinson.

Poinsettias, Heather Contribute Festive Feature at Inn

In a charmingly appointed luncheon at the Claremont Inn, Claremont, Tuesday noon, Mrs. John Anderson, North Euclid avenue, and her sister, Mrs. N. N. Nelson, Ontario, were hostesses to a large group of their friends.

Adorning the long table were three centerpieces, one large one in the middle and two small ones at either end, composed of red poinsettias and heather. The luncheon was served in the main dining hall, and the guests adjourned later to the lobby where they enjoyed an afternoon of bridge.

In the contract tourney, several prizes were given. Among those receiving awards were Mrs. J. H. Titus, Mrs. Arthur Peterson, Miss Naomi Koster and Mrs. Richard Hillen.

Jimmie Lee Herring Honored at Party On Birthday

On the occassion of the birthday of her young son, Jimmie Lee, Mrs. Charles Herring, Archibald avenue and Arrow highway, Cucamonga, entertained a number of his small friends at a merry birthday party Wednesday afternoon.

The guests enjoyed playing games and inspecting Jimmie Lee's Christmas gifts. At the close of the afternoon Mrs. Herring brought out a beautiful pink and white cake with two candles. A pink and white color scheme was also carried out in the ice cream served the children.

Among those who participated in the celebration were Miss Ray Barnett, Miss Joyce Jenkins, Miss Peggy Ristine, Miss Billie Scott, Miss Geneva Clark, and Gene Clark.

H. E. O. Enjoys Lunch At Local Exchange Wednesday Noon

At a delicious luncheon served by Mrs. Frank J. Holmes at the Woman's Exchange, Second avenue, members of the H. E. O. circle met for their monthly meeting, Wednesday afternoon. At the close of the meal they drove to the home of Mrs. C. K. Francisco, East Arrow highway, where they enjoyed an afternoon of bridge.

Christmas decorations were used at both the luncheon and at Mrs. Francisco's home. A Christmas tree and gifts proved entertaining for the afternoon, when each guest was distributed a gift, bought for her by some other member of the club.

Every member of the organization was present. Participating in the occasion were Mrs. George Gregg, Mrs. A. N. Baker, Mrs. Ben Strother, Mrs. M. E. Hilty, Mrs. Paul L. Goddard, Mrs. A. J. Colgan, Mrs. C. S. Traphagen and Mrs. C. K. Francisco.

ROSE PARADE WILL DRAW UPLANDERS

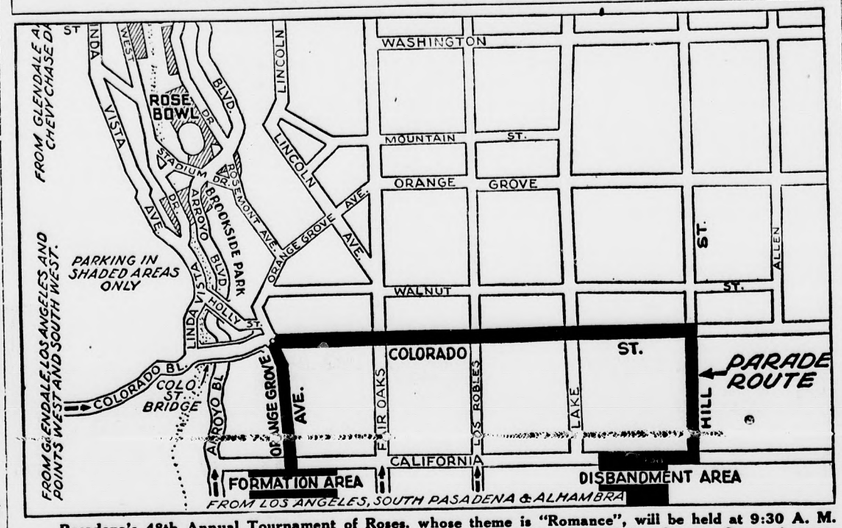

Many From Community Will Be in Pasadena Friday For Annual Event

Hundreds of people in the Upland district will be in Pasadena Friday to see another colorful, spectacular and gigantic Tournament of Roses parade.

For the convenience of those planning to be in the Crown city for the annual parade of flowers and floats, a map of the parade route is shown above.

Camp Baldy will be the representative of this community with an entry.

Tournament of Roses Parade Route

Pasadena's 48th Annual Tournament of Roses, whose theme is "Romance", will be held at 9:30 A. M. New Year's morning of 1937. The parade will form below West California and So. Orange Grove Avenue, which is a closed area. It will move north on Orange Grove Avenue to Colorado Street, east on Colorado to Hill Avenue, south on Hill to East California, and thence west on California Street to Tournament Park, where the floats will be on exhibition from 2 P. M. New Year's Day until 4 P. M. January 2nd.

MANY GET LIVING IN CITRUS WORK

Large Part of Income From Fruit Sales Goes for Payrolls

From time to time announcement is made of the amount of money paid by local citrus associations to growers in this district.

Seldom, however, is reference made to the many persons whose occupation is that of caring for the groves and in other citrus work. A large share of the amount received by the growers goes to pay employes in the groves, for fertilizer and for other items.

Paul S. Armstrong, general manager of the California Fruit Growers Exchange, recently pointed out that the citrus industry furnishes directly the livelihood for 200,000 people in the state. Of the 150 million dollars received for the last citrus crop, only about one-third actually went to the growers.

The first deduction from the delivered value is $40,000,000 for freight and refrigeration, over half of which is said to go directly to railroad labor as wages. Based on Exchange figures, marketing expenses, including advertising, took about five million for all shippers, he said.

Wages for labor accounted for 30 million, divided approximately 18 million to grove labor and 12 million to packing house workers.

Orchard supplies such as fertilizer, water, pest control and orchard heating take another 18 million, and packing house materials, chiefly boxes, wraps and processing materials, 10 million more. These supplies and materials come from numerous industries which in turn employ labor.

Out of the 50 million left for the growers, they must meet interest charges or return on capital invested, much of which is borrowed from banks and other lenders; also depreciation on trees, replacement of trees, margin for profit or reserve.

Interest at 6 per cent on present valuation of California citrus orchards figures about 25 million dollars and depreciation on trees at 3 per cent is another four million, Armstrong said.

Discussing orange juice canning, Armstrong said that the industry is still divided as to whether canned juice is a menace or an opportunity. "I am inclined to consider it an opportunity," he said, "that is, that its value as a plus market for fruit will outweigh its harm as a substitute for fresh orange juice."

"The Chalk Circle" Next At Pasadena Playhouse

Almond eyes will sparkle with laughter as the Pasadena Community Playhouse reaches far into the glamorous history of China for its next play offering, "The Chalk Circle," slated for Dec. 28 to Jan. 9.

The rich story of a famous Chinese legend, a legend as old as The Wall itself, forms the intriguing basis for "The Chalk Circle." The traditional circle, a ring of destiny, has been the symbol in the revelation of truth since the 13th century.

Comedy is uppermost in the staging of "The Chalk Circle," with the pageantry of Chinese costumes and customs running a close second. Although the Oriental tradition calls for a complete lack of stage setting the Playhouse will provide a single scenic frame in providing a slightly Occidental turn in interpretation. A chorus of dancing girls, a musical background and the traditional Chinese property men will provide high points in the Playhouse staging.

"A Christmas Carol," by Charles Dickens, completes its Playhouse run on Saturday, Dec. 26.

10 Years Ago News Of Upland as Seen In The News Files

R. S. McClellan and Robert McClellan of Pasadena have sold to Carol L. Post of Pasadena and Battle Creek, of Post Toasties fame, their 20-acre orange grove in Cucamonga, corner of South Hellman avenue and Kinley avenue. The price paid is reported to be $50,000.

Mrs. Avis Springer Russell and two small daughters, who have been visiting relatives here for several days, returned today to their home in San Diego.

Mr. and Mrs. L. O. McHenry and daughters, Ina and Elaine, arrived Sunday by motor from their home in Morrill, Neb., and are guests of Mr. McHenry's brother-in-law and sister, Mr. and Mrs. J. A. Burton of First avenue.

Mrs. H. C. Hornburg of West Tenth street, is enjoying a visit from her sisters, Miss Addie Kleinsmidt of Kansas and Mrs. Theodore Hander of Marshall, Mo.

Mrs. Sarah Redmon, 376 Sixth avenue, is entertaining her cousin, Mrs. Almira A. Lentner of Helrick, Ia.

Merle Scott, guest of the Rev. Wm. I. Doole, who has been active in Y. M. C. A. work in Poland for the past six years, was the speaker at Lions club meeting Thursday. Walter Galentine was chairman of the day and Glenn M. Atwood played the part of Santa Claus, distributing gifts to each member.

O. E. Atwood will not resign as city treasurer of Upland, but will be permitted to complete his term. Mr. Atwood recently moved into his new home opposite Chaffey high school, thus becoming a resident of Ontario. It was at first thought Mr. Atwood would have to resign his office, but City Attorney R. E. Swing stated today it would be legal for him to serve out his term.

Complimenting Mr. and Mrs. Leeoran Bigley (Mildred Hamilton) whose wedding occurred last week, Mr. and Mrs. H. B. Hamilton were hosts at a charming reception held Tuesday evening at their home on Euclid avenue.

Mrs. Joe Thornton, 869 Fifth avenue enjoyed a visit during Christmas week from all of her children and grandchildren. In the group were Mr. and Mrs. Earl Gill and small daughter of Fullerton, Mr. and Mrs. Louis Bell and three daughters of Los Angeles, Mr. and Mrs. William Campbell and son Dudley of Upland, and Homer and Hollie Thornton of Fullerton.

Webster and Clifford Thomas, students at the University of Alabama, arrived home to spend the Christmas holidays with their parents, Mr. and Mrs. H. H. Thomas. The young men traveled on the special train that brought the Alabama football team to Pasadena to play Stanford on New Year's day.

The new club house just completed by the Upland Woman's club was formally dedicated Tuesday, Dec. 28, with elaborate program in which many prominent club women of Southern California took part. Mrs. L. D. Temple is president of the club. The handsome new club house is located on Second avenue at F street. Mrs. J. N. Beaubier, first president of the club, arrived last night from her home in Canada to attend the dedication.

Upland's new ornamental lighting system, on Ninth street east to Campus avenue and Second avenue north to Foothill boulevard, was turned on for the first time Tuesday night.

Harold Reed of Upland, now a student at the University of Southern California, is taking a prominent part in the Asilomar student conference at Asilomar on Dec. 26 to Jan. 2.

Mr. and Mrs. H. S. Campbell are enjoying a visit from their son, Dr. Archie Campbell, who is a member of the faculty of the University of California at Berkeley. Mr. and Mrs. Campbell and their son will motor to Palos Sunday to visit the Palos mission.

Miss Bessie Beattie left yesterday for San Diego, where she will enjoy a several days vacation.

Who remembers the old days when it wasn't considered queer to save up a few provisions for the winter?

"Oh, mother!" she exclaimed (returning with escort from the bridge game, next room), "I've captured the booby!"

"Bless you, my dear! Come here and let me kiss you—both of you!"

STOPPING NEW CARS

The brakes on new cars are marvelously advanced in power and performance over those to which the average new car buyer has been accustomed.

In spite of that, however, the car owner is wrong when he says his new automobile will stop "on a dime." It won't, not by many hundreds of dimes—the number depending upon the speed of the vehicle, of course.

Just about the best stopping reasonable to expect with modern brakes is of the order of 30 feet from a speed of 30 miles an hour. A lot of dimes could be laid end to end in that 30 feet.

YOUR GAS DOLLAR—
One of the biggest values in your budget

Consider the unequalled service you get from your gas dollar. A single penny buys all the gas to heat water for a bath and shave—or to cook an average family's meal. And you have whatever cooking temperature you need, quickly.

Consider this *special* help when you cook vegetables! To save the vitamins and preserve full flavor, you might wish to use a small amount of water, with the heat kept so low that this water won't boil away. Gas *alone* gives you instantly just the right degree of heat that's needed.

Take advantage of the great value of natural gas, with new equipment. See the latest gas ranges and other gas-fuelled appliances, at your dealer's or your gas company.

WEEK OF PRAYER TO BE OBSERVED

Ministers of Upland Churches To Give Sermon Messages Five Evenings

Of special interest to church members and those of religious inclination will be the "Week of Prayer" to be observed in this city next week under the auspices of the Upland Ministerial association. The meetings will be held in the First Presbyterian church each evening—Monday through Friday—beginning at 7:30 o'clock.

Local pastors will give the sermons and everybody is invited to attend. The scheduled topics are made up of most interesting subjects and the series will prove most beneficial and delightful to all who avail themselves of the opportunity to attend.

The ministers to preach and their subjects are as follows:

Monday—Rev. George West Barrett, St. Mark's Episcopal church, "The Reality of God."

Tuesday—Rev. Lester Hostetler, First Mennonite church, "The Wisdom of God."

Wednesday—Rev. Alvin C. Burkholder, Brethren in Christ church, "The Love of God."

Thursday—Rev. John P. Mandtler, Church of the Nazarene, "The Sufficiency of God."

Friday—Rev. Paul F. Huebner, First Methodist church, "The Saviorhood of God."

Monday at noon the ministers will meet at the First Methodist church for luncheon, at which time Dr. Robert C. Stone, retiring pastor of the First Presbyterian church, will deliver a special message to his fellow ministers. Dr. Stone will also preside at the meetings each evening during the observance of the "Week of Prayer."

Cucamonga-Alta Loma

P. T. A. Group to Meet

Mrs. Leon Durham, president of the Upland Motion Picture council, will be the guest speaker at the meeting of the Cucamonga Central Parent-Teacher association, Wednesday afternoon, Jan. 6. Music will be provided by the school, under the direction of Miss Sarah Louise O'Brien, instructor.

Discussing the trend in motion pictures, Mrs. Durham will tell whether the present movies are better or worse for the child than they have been in the past. Mrs. Durham has made a special study of this work and members of the P.-T. A. are expecting a good attendance.

Hostess for the tea hour will be Mrs. Fred Hoppe. Mrs. W. L. Thomas, president of the group, will have charge of the business session.

Miss Wren Rusker, 253 West San Bernardino road, was a luncheon guest Thursday of Miss Janet Hay at her parents' home in Los Angeles. Both Miss Rucker and Miss Hay are members of the faculty of Central school, Cucamonga.

Mrs. Alice Rucker, her daughter, Miss Wren Rusker of San Bernardino road, Cucamonga, and their house guest, Mr. T. O'Connell of Colorado, spent Tuesday at Girard.

Mr. and Mrs. Kenneth Deardorff of Crestline, who have been spending the holidays with Mrs. Deardorff's mother and father, Dr. and Mrs. C. P. Schaffer, 253 West San Bernardino road, Cucamonga, left Thursday morning for Santa Ana, where they will visit Mrs. Deardorff's sister, Mrs. J. H. Myers, and her family.

Mr. and Mrs. Charles Beckley, Hermosa avenue, Alta Loma, spent Wednesday in Long Beach as guests of Mr. Beckley's aunt, Mrs. Seffie Roberts. They were accompanied by their son Richard and daughter, Miss Kathleen.

"King of Kings" To Be Shown at M. E. Church

There is a reason, says Rev. Huebner, why Cecil B. De Mille's "King of Kings," which will be shown at the First Methodist church, Friday, Jan. 1, at 7:30 p. m., has been called "the picture of pictures". Availing himself of all the magnificent resources and technique of the motion picture art acquired in the last 30 years, Mr. De Mille has selected the greatest theme of history and is said to have reproduced it in a manner worthy of all praise. Scores of noted screen and stage stars appear in the production. H. B. Warner is seen as Jesus and Rudolph Schildkraut as Caiaphas.

A freewill offering will be taken.

Night School Begins Monday, January 4

Night school classes will be resumed at Chaffey junior college Monday evening, January 4, at the regular time, according to the announcement of Dr. R. E. Berry, adult school principal.

A pedestrian is a case of the survival of the "flittest."

LOCAL NEWS BRIEFS

Miss Dorothy Jane Walline of Arcadia is visiting her aunt, Mrs. Fannie Gay, 445 Second avenue, during the holidays.

Miss Dorothy Thompson, Washington boulevard, is expected to return this week end from a visit with friends in Berkeley. Miss Thompson left Saturday for the north.

Mr. and Mrs. C. O. Hanna, Lingle, Wyoming, and Mr. and Mrs. Chester Mills of Long Beach were guests of Mr. and Mrs. F. E. O'Brien, 635 East Ninth street, Tuesday.

Miss Virginia Watson of Berkeley was a guest the early part of the week of Miss Elizabeth Wright, 624 West Arrow highway. Miss Watson and Miss Wright were schoolmates at U. C. L. A.

Miss Rebecca Mattox, 653 East Ninth street, is expected to return today from an outing in the San Bernardino mountains, near Crestline, where she accompanied a group of Chaffey high school girls from Fontana.

Miss Lucy Siegrist, 43 C street, accompanied by Miss Jean Moore of Fourth street, Ontario, is spending part of her Christmas holidays at Laguna Beach. She will leave Sunday night for Westwood to resume her work at U. C. L. A.

Third degree of the I. O. O. F. will be conferred on Huston Dewey in ceremonies in the lodge hall here at 7:30 o'clock Tuesday night. A team from the Orange lodge will be in charge of the services. An oyster dinner will be served after the ceremonies.

Mrs. Belle Town of St. Peter, Minn., and Flaxton, N. Dak., was the guest of Mr. and Mrs. J. H. Freeman of 1082 East Seventh street, over the Christmas holidays. Mrs. Town is a cousin of Mrs. Freeman and it has been 48 years since they have seen one another.

President and Mrs. Tully Knoles of the College of the Pacific, Stockton, expect to spend the week end with relatives in Upland. Mr. Knoles is to deliver the anniversary sermon at the Presbyterian church Sunday morning. Mrs. Knoles is a sister of Mrs. Fannie Gay, Second avenue.

Mrs. Edna M. Brown and son Ira, 1423 North Euclid avenue, have returned from a visit with relatives in Ventura county. They spent Christmas with a daughter and sister, Mrs. Earl Cooper and family, near Filmore, and were guests Sunday at the home of Mrs. Brown's sister, Mrs. L. N. Miller of Oxnard.

S. F. Fowler is a guest at the home of Mr. and Mrs. J. H. Siegrist, he being a member of the U. S. navy, assigned to the submarine service. He has been in the Hawaiian Islands but stopped to visit in Upland enroute to Portsmouth, N. H., where he is to be stationed. Mr. Fowler resided with the Siegrists while the local couple were residents of Chambersburg, Pa.

Henry Reese is spending the holidays with his mother, Mrs. Lucy Reese, 2140 Euclid avenue. Mr. Reese is a student at the University of Chicago, where he is active on the campus. He is editor of the college magazine, The Phoenix. While at Chaffey high school Mr. Reese was prominent as a debater and as an outstanding student, at one time being student body president.

Remans of Jack Korn are being taken to St. Paul, Minn., for burial. Body of the former Uplander was recovered from the plane that crashed Sunday night, taking to death 12 persons. St. Paul is Mr. Korn's former home and the body will be buried there. The 26-year old man was a former employe in the office of the Ontario - Cucamonga Fruit Exchange here, going to El Centro three years ago.

Mr. and Mrs. Harold Schultz and daughters, Betty, Mary and Joanna, who are visiting relatives in Ontario over the holidays were guests Wednesday at the home of Mr. and Mrs. G. V. Sleuman. Mr. and Mrs. Schultz reside in Hastings, Neb., but spent Christmas with another daughter Miss Betty, who lives with her grandparents, Mr. and Mrs. Alexander Murray, while attending Chaffey junior college.

Miss Carroll Dart and Edward Dart, who have been spending the holidays with their parents, Mr. and Mrs. E. A. Dart, 1391 San Antonio avenue, left on Wednesday morning for San Francisco. Miss Dart will assist her brother in moving from Palo Alto, where he has been a student at Stanford university. Mr. Dart will commence his study at the Stanford Medical college and Lane hospital in San Francisco next week, while Miss Dart will return to Inglewood, where she is employed in psychological work by the city schools.

Mrs. Charles Reid, West Eighth street, is a patient at the local hospital. She is there for medical attention.

Mrs. W. R. Farmer and son, Ernest, 446 Campus avenue, motored to Long Beach Wednesday on business.

January clearance sale—All felt hats on the floor 97c. Wonderful bargains.—The Vogue, Ontario, 127 West B Street. 71-1

Dick Highsmith, son of Mrs. Novella Highsmith, 793 Second avenue, left Wednesday for Los Angeles, where he is a student at the School of Pharmacy at U. S. C.

Mr. and Mrs. G. N. Shore and children, Donald and Betty Mae, of Marshfield, Oregon, who have been visiting at the home of Mr. and Mrs. N. T. Franklin, 650 Third avenue, will leave Friday morning for their home.

Mrs. J. P. Bert, 563 Third avenue, accompanied by Mrs. G. N. Shore, Marshfield, Oregon, motored to Long Beach Monday, where they were the guests of Mrs. Leah Thompson. Tuesday they went to Los Angeles and spent the day.

Joseph Arnold, San Antonio Heights resident, who was injured in an auto accident near his home on Twenty-fifth street last week, is reported to be making satisfactory progress in his recovery. He is at the San Antonio Community hospital.

Members of the sixth grade girls Sunday school class of the Methodist church are invited to the home of their teacher, Mrs. D. C. Anderson, 1018 East Arrow highway, Friday evening, for dinner. Afterwards the group will attend the showing of the "Kings of Kings" at the church.

Mr. and Mrs. O. W. Thornton, 428 West A street, Ontario, are the parents of a daughter born at the San Antonio Community hospital, early Thursday. Mr. and Mrs. John W. Bertino, R. F. D. No. 3, Ontario, are the parents of a son born at the hospital Wednesday.

Gene Fetrow, son of Mr. and Mrs. Paul Fetrow, Sixth avenue, arrived in Upland Thursday to spend the remainder of the week. Young Fetrow, who is employed by Douglas Aircraft corporation in Santa Monica, reports that the airplane factory was struck twice by lightning yesterday, although no damage was done.

Upland members of the American Legion who plan to attend a dinner in Riverside Monday in honor of National Commander Harry M. Colmery are to make reservations with Thomas E. Howarton. The dinner will be at 7 o'clock. Reservations are necessary due to the wide demand for tickets, Mr. Howarton said. John D. Howe is a member of the state-wide distinguished guests committee which will formally greet the commander.

Austin W. Cloud, Long Beach, paid $100 into the city court on a charge of driving while intoxicated. He was arrested while driving on Eleventh street. Judge D. J. Burlingame also placed a 30-day suspended jail sentence on the autoist, suspending it on condition he is a total abstainer of liquor for one year. He is also required to obtain insurance on his automobile.

S. M. Love of Manhattan Beach, long time resident of Upland and member of the local Presbyterian church, came Wednesday to attend the dinner and program that evening in observance of the fiftieth anniversary of the church and honoring the retiring pastor. After attending to some business matters in the community yesterday Mr. Love returned to his home.

Etiwanda

ETIWANDA, Dec. 31. — Fred Spaeth passed away Tuesday in a rest home in Highland, where he was taken some months ago to be cared for through the final stages of tuberculosis. Mr. Spaeth resided here a number of years on East Highland avenue. A son, Earl Spaeth, who was a student in the local grammar school, was drowned in a reservoir here a few years ago and since that time the father had lived alone. A sister has been here several weeks.

The first section of the Ladies Aid society will sell Orange show tickets in this community and ask all to make their purchases from them.

Dale Dooley of Pomona is a guest this week at the home of his aunt, Mrs. Thomas Donnelly, and family.

Mr. and Mrs. Zeke Keough (Eleanor Frost) and sons, Tommie and Dick, of Pomona, were Christmas guests of Mrs. Keough's parents, Mr. and Mrs. W. H. Frost.

Mr. and Mrs. Geo. F. Johnston had as Christmas day guests Mr. and Mrs. J. S. Johnston and sons, Jack and Francis; Mr. and Mrs. Will C. Pearson, daughter Phillys Jeanne and son Bill of Etiwanda, and Mrs. Bernice Johnston and children, Philip, Jr., Glen and Beverley Gail, of Victorville.

Mrs. W. A. McKee has been confined to her home because of illness for several days. She will be removed to the Montesano hospital tomorrow, where she will be under the care of Dr. Frank Dooley of Pomona.

Mrs. Ethel Cour of Anaheim, sister of Mrs. Culler of Etiwanda, was fatally injured in an automobile accident near Whittier while returning to Porterville, where she was employed, after spending the holidays at her home.

Mr. and Mrs. Del Beekley and daughter Carolyn of San Diego spent the week end at the home of Mrs. Beekley's parents, Mr. and Mrs. Geo. Frost.

Theaters, Programs For Week In Valley Given Review Here

Gala New Year's Eve Show At Fox Pomona

Being shown for the first time at a special showing on the gala New Year's eve midnight show, "After the Thin Man," will go into a regular run starting New Year's day.

For the special midnight show separate tickets, which are now on sale, will be necessary. Favors, surprises and an exceptionally fine list of short subjects will be presented. For the regular run of "After the Thin Man," which stars William Powell and Myrna Loy, the preview feature on the program is "Night Waitress," with Margot Grahme.

Continuous shows are scheduled for New Year's day and Saturday and Sunday.

Padua Mexican Players

The Padua Mexican Players, who have often been referred to as the Oberammergau players of America, are reported to be fired with a new zeal in their efforts to keep alive that which is beautiful and good in the customs and culture of the ancient land of their forefathers, as they present their traditional play of Christmas in Old Mexico. Mrs. Garner, the director, states that in all probability the Padua Mexican Players are the only group who are perpetuating the 'Coloquio," which far 400 years was a part of the Christmas season's celebration throughout Mexico. The "Coloquio" is presented as the second part of "Las Posadas," now current at the Padua Hills theatre.

Senorita Beatriz Castillo and Senor Samuel Adame, as Lupe and Ramon, in the first part of "Las Posadas" are being especially well received as they represent the mother and father in a humble Mexican home in their preparations for Christmas. Their plans do not include stockings over the mantel or a Christmas tree. Their time is spent in making a "nacimiento" or creche which represents the nativity scene and the presents are put into a "pinata," which may take any form from that of a simple basket to elaborately constructed comic images of birds, animals, or men. The "pinata" is hung from a hook in the ceiling.

"Las Posadas" is being presented nightly Wednesday through Saturday with matinees Wednesday and Saturday through Jan. 2.

Tully Knoles Speaks At Morning Service In Local Observance

As the guest speaker of the morning, Tully Knoles, president of the College of the Pacific, will deliver the sermon at the eleven o'clock service at the Presbyterian church Sunday, in commemoration of the fiftieth anniversary of the church. In the afternoon at 3:30, a special musical program will be given.

Mr. Knoles was Sunday school superintendent at the Presbyterian church a number of years ago, while residing in this district. He attended the old Chaffey college and was among its first and most distinguished graduates.

Music at the afternoon service will include numbers by early choir members, directed by William Trunkfield, an organ solo by Raymond Moreman, and songs by the congregation. Greetings will be given by the Rev. Chester Green, moderator of the presbytery.

Regular Story Hour At Library Saturday

The regular story hour will be held as usual at 2 o'clock Saturday afternoon, in the Sarah Temple Junior library. Miss Wright plans to tell the story of how a carrier pigeon was the means by which an emperor's lost jewels were recovered, and the story of the kitten who wasn't white. Another chapter of "The House at Pooh Corner" will be read, in which it is shown that tigers don't climb trees.

All children interested are cordially invited to attend. Many of them are enjoying this feature provided by the library.

Cannot Evade Sales Tax By Buying Car Outside California

"Don't buy your car outside of California in the mistaken belief that you can save money by avoiding the state sales tax," is the advice given by the State Board of Equalization to California residents.

The board points out that the use tax act, passed in 1935, protects California business men from the unfairness of outside untaxed competition.

Under the law whenever a sales tax has not been imposed, a use tax of three per cent of the sales price is levied upon the use or consumption in this state of tangible personal property purchased on or after July 1, 1935. Although the use tax has been effective over a year and a half, many Californians are not aware of it or have forgotten about it.

One who seeks to save himself money by buying a car outside the state to escape the sales tax may find it extremely costly in the end, the board points out. Where such purchase of a car is made through a California dealer, the law requires the dealer to report it.

If the sale is not made through a California dealer, then the purchaser must report it. Failure to do so results in an arbitrary assessment of the three per cent tax, plus a 25 per cent penalty. Interest is charged if the tax is not paid within ten days after notice from the state.

Morover, willful evasion of the law or fraud relative to it, can be punished by a heavy fine or a jail sentence, or both.
